**P4C Question:** In order to develop children's critical thinking skills and to reflect on their own views and those of others, this week's P4C question is:

Are all refugees deserving of our help?

Please discuss this as a family, encouraging the children to think about this from different view points and to consider what is more important in life.

**Rights Respecting**

**RIGHTS  
RESPECTING**

We continue our work on developing children's understanding of the following articles:

**Article 7:** Children have the right to acquire a nationality and, as far as possible, the right to know and be cared for by their parents.

**Article 22:** Children who are refugees have the right to special protection and help. Refugee children are entitled to all the rights in the Convention wherever they are.

**Article 38:** Children in war zones should receive special protection.

**Domestic Violence-How to get help!**

Please see the attachment on domestic abuse and how to get help.

**Attendance : Well done to Year 4 Green for achieving 98.7%.** The overall percentage for the whole school was **95%**, which is well below the national average. Our target for this year is **96%**

The lowest attenders are currently **Reception Green.**

Parents, please make every effort for your children to attend regularly.

**Remember- Good attendance=good self esteem= good progress**

## Online Safety, TikTok and Other Social Media Checklists

While **cybersecurity** protects **devices** and **networks** from harm by third parties, Online Safety protects the **people** using them from harm by the devices and networks (and therefore third parties) through awareness, education, information and technology.

Online Safety is being aware of the nature of the possible threats a person could encounter whilst engaging in activity through the Internet, these could be security threats, protecting and managing personal data, online reputation management, and avoiding harmful or illegal content.

\*Please create/go over some rules with your child/ren about online safety and screen time. Remind them of how important online safety is.

Internet Matters have a good range of guides that help parents with family pairing (where available), privacy settings, reporting and much more. This is a really helpful resource to support you to set parental controls. Please click on the link below

Thank you for all your support. If you want us to cover anything in particular, please let a member from the Office Team know.

**Positive behaviours and attitudes:** Here are another two fantastic texts that will act as starting points for talking to your child about their feelings and behaviour. Your child will have heard many of these in school, but it's always great to listen to a good story more than once! Each week we will add two more texts for you to explore with your child.
